Course Location: Grand Hotel Gardone | Gardone Riviera | Italy

An educational course of Villa Bella Clinic | Salò

Dear colleagues,
make sure that you do not miss the best European Meeting on facial rejuvenation:

**2019 Villa Bella Clinic Aesthetic Symposium
(BBF= Bottis' Best Face)**

This will be the 16th edition of our course and it will be devoted entirely to the aesthetic surgery of the ageing face. The setting is in one of the most beautiful places in the world - Gardone Riviera-Salò, lake Garda, Italy and will be held on May 24-26, 2019.

One of the biggest attractions of our course is Live Surgery. Each day, in the morning, several operations will be performed. Any detail will be clearly explained thanks to a close live interaction between the audience and the OR.

Most participants, who have been at many other events, have sent complimentary messages about the past editions, saying that it was the best meeting they'd ever attended.

The 2019 faculty will be composed by some of the most renowned plastic surgeons of the world. All of the faculty members will do their best to provide the participants with practical technical knowledge to perform successful facial rejuvenation procedures. We will spend three days

with some of the Internationally recognized masters of aesthetic plastic surgery. Live surgery demonstrations will be broadcasted from Villa Bella Clinic to the Auditorium in the Grand Hotel.

In 2019 BBF two very special pre-congress courses will take place. A two day sculpture course, during which the participants will be guided by a "maestro" in sculpture, and get to know the volumes, proportions and anatomy of the face in detail, that is so important for any kind of facial surgery. The second opportunity is a one day hands-on course with cadaver dissection on deep plane face lift, that will be held in an excellent structure in Verona. There will be transport provided from Gardone.

Social activities will be just as interesting and the lucky ones who accompany you will certainly enjoy the great experiences the area offers such as: boat tours on lake Garda, local markets, ancient charming villages, Verona, Venice, the Dolomite mountains, golf courses, Gardaland (the largest amusement park in Europe) and many more activities.

As always, the profits of our course will be given to charity.
